#### ADVERTISING PARTNERS INCLUDE

Advertising Partners include businesses that participate in print and digital advertising regardless of Member/Partner status.

Visit Spokane reserves the right to qualify businesses for advertising eligibility based on audience. For example, a Realtor may not be eligible to advertise on our general website pages, but they have opportunities in relocation publications or on supporting digital pages.

**What is the TPA and why are membership rates higher for some businesses located outside the TPA?**

Our local Tourism Promotion Area (TPA) fund is a Tourism Improvement District started in 2005 by local business community leaders and members of the lodging industry who signed a petition to establish the fund, pursuant to RCW 35.101. It is a pass-through assessment, \$5 per room night, to lodging customers.

It is a funding mechanism for destination marketing programs for the Spokane Region. Funds are directed to Visit Spokane and Spokane Sports. Use of the fund is directed by a commission of hoteliers.

In 2023, the inter-local agreement was modified such that TPA funds come only from properties in the City of Spokane and unincorporated Spokane County. The Visit Spokane Board revised the membership rate structure accordingly.
