"Art + Design = A Fresh Vision" — The Inlander 2015

The Davenport Grand is restyling the convention scene in the heart of Spokane. With views of Riverfront Park and the Spokane River, a private terrace and 63,000 square feet of state-of-the-art meeting space, this hotel is adding new and exciting avenues to the meeting experience.

Here, a broad expanse of meeting rooms can accommodate groups of 5 to 2,500 and oversized guest rooms with king or king/king beds provide a sanctuary for comfort and quiet. Over two floors, the meeting space encompasses four ballrooms ranging from 2,400 to 18,000 square feet, with elevators located in strategic areas, providing easy access to guest rooms.

Blend it all with access to our three sister properties, our Forbes Four Star spa and salon, two pools and boutique shops, two on-property restaurants, and in-hotel Starbucks, to reinvent your Spokane meeting experience.

Walkable distances to the Convention Center, INB Performing Arts Center, shopping, Riverfront Park and Spokane River.

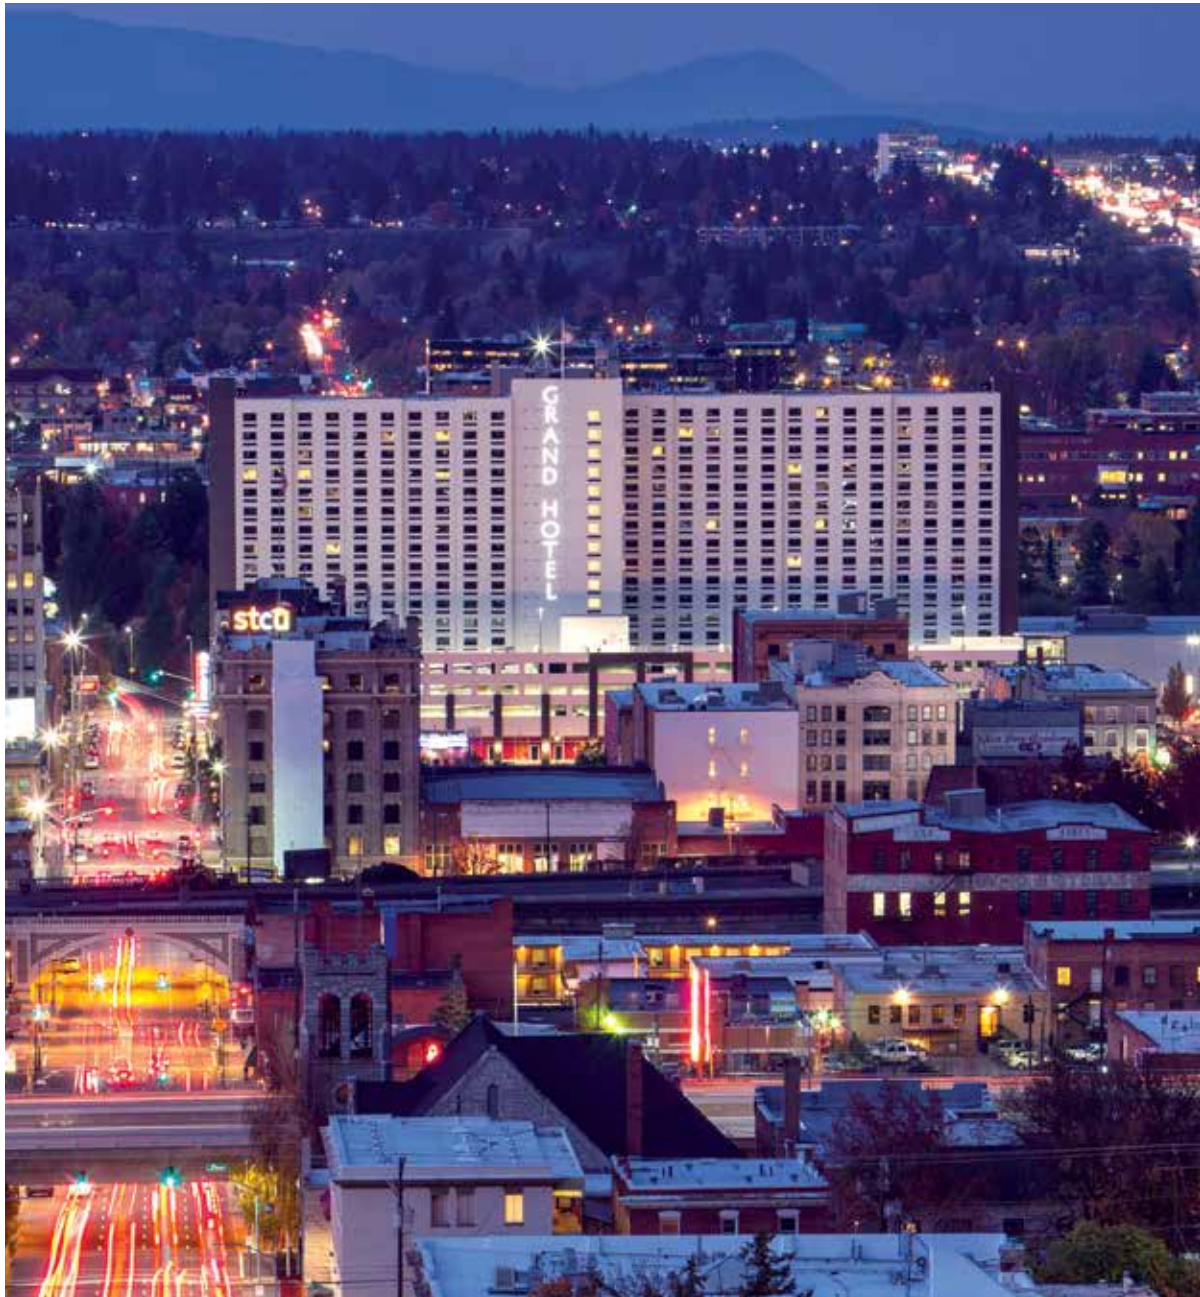

Discover The Davenport Grand in Spokane, a fresh contemporary location.
